

Ordering Information/CD-ROM Contents

Most of the materials included in this toolkit are available to print directly from the CD-ROM included in this section. Due to copyright issues, some documents are not available on the CD-ROM, but individual copies can be downloaded from the source website listed in the table of contents for each section.

A materials order form from L.A. Care Health Plan is included in this section. All toolkit recipients can order the materials free of charge, with quantity limits noted.

The following is a listing of materials available on the CD-ROM for copying:
